FOUNDER'S MESSAGE

Dear Member,

It is my privilege to pen down and present before you 20th Annual Report of Yug Décor Limited.

As I mentioned in my letter last year, recent history has been unabated with the global pandemic, Geopolitical factors such as the conflict between Russia and Ukraine, rising inflation and volatile commodity prices have caused slowing down of global growth and created stress in the overall economic environment including supply chain shortages and more. The supply chain transition resulting from such situation is altering the global supply chains and hence the industries are rebalancing their supply chains for resilience and efficiency. New global supply chain ecosystems are being created with India playing an

important role. This is being led by significant capital investments in manufacturing and supply chain operations as well as to build ecosystem integration with partners, which in turn could impact global growth in the coming year.

Consistency breeds sustained growth. FY 2022-23 was a year of Progression for 'YUG' as it fully emerged from the shadows of two successive years of low volumes in past financial years. An organization's journey is often marked by certain momentous events that define or redefine the course of its trajectory. The journey through the year under review was not smooth as the multidimensional crisis tested our patience and resilience. However, the consistent efforts and hard work on our part ensure the fruits of the hard work resulting in a significant growth for the year 2022-23. Navigating successfully through the challenges, your Company has emerged stronger, execution focused and customer-centric. The distinct strategies employed has led to an improved overall performance including customer experience, product innovation, quality and employee engagement.

Your Company believes that its Members are its most important Stakeholders. Accordingly, your Company's operations are committed to the pursuit of achieving high levels of operating performance and cost competitiveness, consolidating and building for growth, enhancing the productive asset and resource base and nurturing overall corporate reputation. Your Company is also committed to creating value for its other Stakeholders by ensuring that its corporate actions positively impact the socioeconomic and environmental dimensions and contribute to sustainable growth and development for a greater living. True to our words, at 'YUG' the Bonus Equity Shares has been approved, issued and allotted successfully in the ration of 1:2 in FY 2022-23 as the element of gratitude towards your patience and support in creating long term value of the Company.

Progressing ahead, I expect overall demand to remain high in FY 2023-24, but with industry growth moderating, we intend to sustain our economic momentum with enhancements and upgrades. In addition, we remain focused on accelerating digitalisation and expanding functional training for frontline staff to further enhance overall customer experience, while prudently managing costs at every level. Thereby, we are ideally poised to capitalise on the opportunities ahead.

In closing, I thank the Board for their continued guidance to steer the Company in its journey ahead. I heartily extend my gratitude to the entire team of 'YUG' including our staff and workers for their disciplined determination and also, our stakeholders, customers, Bankers, Suppliers and Government Authorities- for the steadfast support and assistance throughout. We solicit your support in our future endeavors. Stay safe and healthy

Warm Regards,

Santoshkumar R. Saraswat
Founder & Director

Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENT:

The Industry Structure remains static as reported by the Company last year. Your Company operates under a single segment i.e. Manufacturing of Adhesives and Sealants under the Brand name “YUG-COL”. The Adhesive business of the Company is further bifurcated into two kinds of Adhesives that are Wood Adhesives and Rubber Adhesives.

Expansion of the furniture, woodworking, and construction industries, rising urban population, increase in remodeling & renovation activities, and recovery of the global economy have been the significant factors contributing to the growth of the global wood adhesives market. Amongst sports industry, furniture industry, handicrafts, paper and paper products, textile industry etc., furniture is the largest end-use application of wood adhesives. Expansion of the housing sector and growth of the furniture industry have propelled the demand for wood adhesives. Diverse product portfolios, strategically positioned R&D centers, adoption of development strategies, and technological advancements have helped the companies globally to strengthen their position in the global wood adhesives market.

Rubber Adhesives are used in Furniture and Footwear Industries. They can also be used in upholstery and fixing laminate sheets to wood and other surfaces. The footwear industry currently uses a large diversity of materials and over time this has increased the challenges placed on the adhesives industry, since bonding dissimilar materials with good performance requires specially formulated adhesives. Adhesives used in this industry are varied and their producers are always developing new products, following closely the market demands mainly due to the introduction of new materials according to fashion trends.

Your Company had continued to remain focused on providing quality products to sustain its business and put up its best performance to strive to lead the competition in the domestic and international market too.

GROWTH ENGINES OF INDIA: MSMEs

There is no doubt that MSMEs play a critical role in Nation Building and growth of the economy. It is necessary that the support to this segment is accelerated, and government targets its ease of doing business initiative towards MSMEs. The targeted government policies can be a major catalyst in guiding MSMEs to the desired sectors of the economy to fuel growth of the economy. This could be done by framing conducive policies, offering incentives and most important, removing the on-ground hurdles, easy access to credit being a prime example.

It is important to bring the MSME sector under the umbrella of financial inclusion in India. Sustainable growth of this sector will be ensured only if they are able to easily access finance in a timely manner. This can be achieved only if there is a strong financial ecosystem. Apart from banks and NBFCs, enabling fintech companies to provide innovative digital financial solutions to MSMEs is necessary. Digital lenders have an innovative approach to lending. They are pushing the Credit underwriting frontiers in mapping creditworthiness of borrowers by scanning their economic behavior, payment history etc through various data sources available with consent. Allowing more data and technology-driven fintechs to finance MSMEs will, therefore, strengthen both – the MSMEs and the financial sector.

Helping MSMEs go digital will enable MSMEs to increase their overall operational efficiency, to provide better customer service using digital platforms and to enhance the overall customer experience. This in turn will help MSMEs to face competition from other players, to expand their customer reach and to reach out to new geographies. Giving focused skill development training to micro-entrepreneurs in both urban and rural settings to acquire knowledge needed to deliver the best quality products, identify market opportunities, foresee future uncertainties and adopt tech-enabled strategies. (Source: <https://timesofindia.indiatimes.com/blogs/voices/msmes-the-growth-engine-of-india/>)

India has a large 7.9 million registered Micro, Small and Medium Enterprises (MSMEs) base. The MSME Industry segment contributes 33% of the Country's GDP and generates over 120 million jobs across industries and regions in the country contributing towards wealth creation at the grass root level. The segment enables the inclusion of generally neglected entrepreneurs e.g. women, marginal entrepreneurs and empowerment and wealth creation at the Grass root. In FY22 alone, 8.59 lakh women-led MSMEs got registered on Udyam portal which is 17% of the total MSME registration. As many as 63.4 million units contribute 6.11% of the manufacturing GDP and 24.63% of services GDP.

The Government of India (GoI) has been very proactive in encouraging the MSME segment and ensuring that large number of MSMEs benefit from various incentive schemes launched. Government benefits are available to MSMEs in the form of subsidies, financial support, and access to skill and technological development. The Government has also revised the definition of micro, small and medium enterprises and added close to 2.5 Crore traders last year to increase the coverage. Mitigations: The Company tracks the changes in the price of raw material and maintains adequate inventory to avoid purchasing them at higher prices.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2023, its profit and its cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India

(ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the Key Audit matter to be communicated in our Report.

Key Audit Matter	How the matter was addressed in our audit
-- NIL --	

Information Other than the Standalone Financial Statements and Auditor's report thereon

The Company's Board of Directors is responsible for the preparation of other information. The Other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to the Board report, Business responsibility Report, Corporate Governance report and Shareholder's information, but does not include the standalone financial statement and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial control system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) Planning the scope of our audit work and in evaluating the results of our work and (ii) To evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **"Annexure A"** a statement on the matters specified in paragraphs 3 and 4 of the said Order.

“Annexure B” to the Independent Auditor’s Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **M/S. YUG DECOR LIMITED** (“the Company”) as of March 31, 2023 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may

become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the criteria for Internal Financial control over Financial Reporting established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.
